Hygiene Concept

Due to the pandemic, we will apply a 2G-Concept. That means, only participants who are vaccinated (with a European Union accepted vaccine e.g., BioNTech/Pfizer, Moderna, AstraZeneca or Johnson&Johnson) or recovered from Covid-19 are going to be accepted. **You will be asked to provide documentation regarding your vaccination or recovery status.**

During the conference, you will be asked to wear an FFP-2 mask. Please make sure that you have a mask with you before you arrive at the conference venue. Masks will not be provided by the organizers. Additionally, in the unlikely case that a Covid-19 case is detected during the conference, this person will be asked to quarantine in their room. **If you did not recover from Covid-19 and did not get vaccinated due to medical condition, please provide your medical exemption documentation when you register.**

Should you violate the 2G-Concept you will unfortunately not be allowed on the venue.

We will provide name tags, placards, and other material when you check in.

However, we do not provide the following and highly recommend that you bring it with you:

- One laptop computer per delegation (for research and resolution writing)
- An empty USB flash drive (“memory stick”)
- Writing paper and pen/pencil
- Note cards for speeches (best formats are A6 or A7)

Topics / Preparation

The rules of procedure generally follow UN General Assembly conduct. They are similar to the NMUN rules of procedure for those who use **BayernMUN** as a preparation for NMUN. The complete rules of procedure will be available on our website. Additionally, we offer a crash course for the rules of procedure on Friday.

The provisional agenda of the **BayernMUN** conference 2022 contains these three topics:

1. Eliminating Human Trafficking of Women, Girls, and Gender and Sexual Minorities
2. Measures to Strengthen International Counter-Terrorism Efforts
3. Leveraging Climate Action for Sustainable Development

Background guides with further information about these topics are available on our website www.bayernmun.org.

Writing of position papers is encouraged but not required.

Resolution Writing is aligned to match NMUN. **We will not accept material written prior to the conference**, since one of the goals is the collaborative effort to find solutions for the topics. For more information, refer to our website.
